

Tovah Feldshuh *in* Becoming Dr. Ruth

By Mark St. Germain

Directed by
Scott Schwartz

“Dr. Ruth’s story
is certainly a
stirring one...
and this is an
illuminating
portrait.”

— *The New York Times*

Returning to the stage in New York City this fall, six-time Tony- and Emmy-nominated actor **Tovah Feldshuh** stars in a tour-de-force theatrical show **BECOMING DR. RUTH**.

The one-woman show, written by Mark St. Germain and directed by Bay Street Theater’s Artistic Director Scott Schwartz, chronicles the life of noted psychologist Dr. Ruth Westheimer, from her early years fleeing Nazi Germany, living as an orphan in Switzerland, to her service in the Israeli armed forces as a sharpshooter, and her later life and career in New York.

“Anyone who is interested in Dr. Westheimer...
or in true-life adventure tales of Holocaust survivors...
should find **BECOMING DR. RUTH** an enjoyable way to spend ninety minutes.”
