

WINNER OF 11 2016 TONY AWARDS, INCLUDING BEST MUSICAL

Hold on to your hats - this is not your textbook history lesson! The creators of the Tony Award®-winning *In The Heights* present the story about the scrappy young immigrant who forever changed America: Alexander Hamilton.

Tony, Grammy and Emmy Award winner Lin-Manuel Miranda wrote this musical about the founding father determined to make his mark on a new nation.

From orphan to President George Washington's right hand man, from rebel to war hero, this head of the Treasury made an untrusting world believe in the American economy. A husband caught in America's first sex scandal, **HAMILTON** is an exploration of a dynamic figure and political mastermind.

George Washington, Thomas Jefferson, Eliza Hamilton, and lifelong Hamilton friend and foe, Aaron Burr, all attend this revolutionary tale of America's fiery past told through the sounds of the ever-changing nation we've become.

Tony Award® winner Thomas Kail directs this musical about taking your shot, speaking your mind, and turning the world upside down.
